Scout Day at Lime Rock

September 30 – October 1, 2016

Start your program year with a Fall outing at Lime Rock Park. An easy campout Friday night followed by an all day Saturday program of racing make this event an all time favorite. Take advantage of a foot-long hot dog and tater fries lunch from the track's food concession or you can prepare your own meals track-side – either way, your Scouts will be hooked on Scouting forever.

Saturday's races will provide hours of racing excitement. The day's program offers the Vintage Sports Car Club of America's Fall Finale alternating with racing by the Lime Rock Driver's Club. Come see vintage and collectible sports cars of all types spanning many years of automotive history – all in tip top condition and in action on the track.

COST: Scouts/Adults $15
Cubs & siblings under 10 $7

Fee includes an event patch for the first 1000 registrants, Friday night camping and adult leader social (crackerbarrel) and Hot Laps for 20 lucky Scouters. What's a Hot Lap? It's two high speed laps around the LRP race track in the track's pace car driven by a skilled and licensed race car driver. The ride will be relatively safe but fast enough to be an exhilarating experience. To qualify for a Hot Lap, you must be 21+ and be a registered Scout leader. Hot Laps will be run during the noon intermission around 12:30 PM. Five Hot Lap passes will be awarded to the units with the most registered Scouts in attendance, the remainder will be door prizes for the crackerbarrel.

No Refunds after September 9, 2016
RAIN OR SHINE
