

Scout Day at Lime Rock

September 26-27, 2014

The perfect way to kick-off your 2015 program year! An easy campout Friday night and all day races on Saturday make this event an all time favorite. Top it off with a foot-long hot dog and tater fries lunch from the track's food concession – your new Scouts will be hooked on Scouting forever. Or you can prepare your own meals track-side and the results will be the same.

Saturday's races will provide hours of wheel-to-wheel, flat out racing by highly talented amateur drivers who are in competition for the Northeast Region SCCA championship trophy. Many of the drivers are local residents who frequently race at Lime Rock and look forward to meeting and talking with their Scout fans.

Scouts are free to take home any car parts or tires which fail to finish the race – just follow the skid marks to your own track trophy.

COST: Scouts/Adults \$15
Cubs & siblings under 10 \$7

Fee includes an event patch for the first 1700 registrants, Friday night camping and adult leader social (crackerbarrel) and Hot Laps for 20 lucky Scouters. What's a Hot Lap? It's two high speed laps around the LRP race track in the track's pace car driven by a skilled and licensed race car driver. The ride will be relatively safe but fast enough to be an exhilarating experience. To qualify for a Hot Lap, you must be 21+ and be a registered Scout leader. Hot Laps will be run during the noon intermission around 12:30 PM. Five Hot Lap passes will be awarded to the units with the most registered Scouts in attendance, the remainder will be door prizes for the crackerbarrel.

No Refunds after September 1, 2014
RAIN OR SHINE
