## WOOD BADGE SCHOLARSHIP

### 2012

1. A Scholarship Committee will be appointed annually by the Council Training Chair. Membership of the Committee will include the Wood Badge Course Director and the Wood Badge Professional Staff Advisor. The Committee will review all scholarship applications for approval.
2. Scholarships will be based on financial need as demonstrated by the applicant. All scholarship requests will be processed with the highest degree of confidentiality.
3. The Committee may award each applicant a scholarship of no less than \$100, paid directly towards the Wood Badge course fee. Each applicant is generally expected to provide a portion of the total cost for this course, typically an amount no less than the deposit required for the course.
4. Scholarships are granted for courses run by Connecticut Yankee Council and to registered members of the Council, generally limited to members living within the geographic boundaries of the Council. Participation in courses outside of the Council will not be considered, nor will participants registered in other Councils.
5. Scholarship requests should be submitted at the same time as the participant submits a course application, but no later than 45 days prior to the first day of the course, along with the deposit for the course. Applications for scholarships may be rejected after the 45 day deadline has passed. Scholarship decisions will generally be made 35 days before the first day of the course.
6. Applicants who are denied a scholarship will receive a refund of their deposit upon request.
7. Questions regarding the scholarship program may be submitted to the Wood Badge Professional Staff Advisor.
