Important Information:

- A. Prerequisites should be completed before coming to camp but may be completed afterwards.
- B. In order to receive credit for a prerequisite requirement, Scouts must have a blue card with the item signed off by a counselor, or present the required work (or evidence of having completed the work) to the camp counselor.
- C. Requirements not completed before or during camp will result in a partial being issued for that merit badge.
- D. Prerequisite requirements will NOT be reviewed in class.**

Partials: A Scout completing only a portion of a merit badge's requirements will be issued a "partial" on his merit badge card. Camp counselors may give credit for requirements or skills actually completed at camp, only. Partials are valid until a Scout's eighteenth birthday.
