## From the Key 3

2019 is poised to be another year for the history books for the BSA. The final step in our family scouting initiative rolls out in February with Scouts BSA. This last step will open all our programs to both young men and women. We already have several units that will be ready to launch when the program goes live in February. We are very excited to have so many units ready to launch, but there is always room for more units to serve more youth. If you are interested in starting a new Scouts BSA unit feel free to reach out to the District Key 3 for more information.

As we enter the new year it is now an appropriate time to reflect upon our last year. On the district level we will be doing this: evaluating what events or parts of events went well and what did not go well in order to make sure our program is even better in 2019. In addition, the District Key 3 and all our operating committees are working on defining goals for the 2019 calendar year as well. We will be evaluating our progress on these goals on a monthly basis. Your unit should go through a similar process to make sure your programs are better than it was last year. If you need assistance with this process, please feel free to get in touch with us and we will be happy to assist you with the process.

### District Volunteer Award Nominations

Volunteers across the council give countless hours of their time volunteering to make their units, district and council provide the best possible program for our youth. To recognize this hard work and dedication, we recognize volunteers with several awards to show our appreciation to the adults who make our scouting program run smoothly.

The District Award of Merit which is the highest honor that can be awarded by the district. This award is limited to one recipient per 25 units within the district. If you know someone who is deserving of this award please fill out the nomination form [http://www.scouting.org/Home/Awards\\_Central/DistrictMerit.aspx](http://www.scouting.org/Home/Awards_Central/DistrictMerit.aspx).

The Unit Leader Award of Merit recognizes unit leaders who have shown exceptional service to their unit. Nominations are entered by the unit committee chairman and certified by the council. If your unit leader is deserving of this award, have your unit's committee chairman fill out the nomination form <https://www.scouting.org/awards/awards-central/unit-leader/>.

In addition to this national award the district also presents several local awards at the annual District Dinner in February.

The first of these is the Key Three Award which is awarded to three people annually for recognition of service over the past year. The District Key Three members choose the recipients of this award.

The other local award is the Spark Plug Award which is given to a volunteer who has been the "spark" for their unit over the past year. This award can be given to one person per unit based upon nomination from the unit to the District Key Three.

Each year the council offers its premier training event, University of Scouting. This is an all-day training event where you can take up to six training courses. Course levels range from basic to advanced. The range of topics that are offered at university of scouting are wide ranging and cover a number of topics on Cub Scouts, Boy Scouts, Venturing, Commissioner Service, High Adventure and much more.

Whether you are a new scouter or a seasoned one there are plenty of courses offered at University of Scouting to fill your whole day and bring your scouting knowledge and abilities to the next level.

Courses are offered in several different schools to help you pick the courses that are right for you. However, you can choose courses from across several different schools to follow your needs and interest.

The program will be taking place on March 16th at Roger Ludlowe Middle School in Fairfield. For a complete listing of courses and to register visit the University of Scouting page at <https://www.ctyankee.org/events/university-of-scouting/>
