## Scouting in the 21st Century A Return to Basic

**October 19-20, 2019 – Hoyt Scout Reservation**

Join us for a weekend of family fun with a “A Return to Basic” Scouting Skills theme. All of the activities, knot tying, use of compass, hikes, fire safety, leave no trace and more to be mapped to Required Cub Scout Adventures. Come for the day or enjoy one to two nights camping.

### Eight Action Stations:

2. **BB Shoot:** Cub Scouts will learn the safe and responsible use of BB guns, and to have fun in a safe range conducted by qualified adults.
3. **Compass/How to Use a Compass:** Explain the parts of the Compass. How to find North. What that means, and how to navigate with one around a simple course.
4. **Knots/Knot Tying/The Six Scout Knots:** Have fun learning the basic Scout Knots.
5. **Leave No Trace for Every Kid/Leaf What You Find (Leaf Tracing):** Discovering the fun of spending time outdoors and learning about responsibility for the environment.
