

# THE POMPERAUG POST

July 2019

The official newsletter of Pomperaug District, Connecticut Yankee Council, Boy Scouts of America

Serving the Scouting Communities of Bridgeport, Easton, Fairfield, Monroe, Stratford, Trumbull, Weston and Westport

## From the Key 3

For around the last decade the Pomperaug district has called its home the Latter Day Saints Church in Trumbull. As you may have heard, the Latter Day Saints Church has decided to pull out of scouting so that it can standardize its youth program around the world. As part of this the church has asked the local wards to not continue to hold scouting meetings at the church to help avoid confusion. This means that the Pomperaug District will be moving to a new location.

Before we met at our current location, the district was meeting at the first Presbyterian Church in Fairfield. We are pleased to announce that the Pomperaug District will be returning to the Presbyterian Church as its new home in the fall for the start of the new scouting year. We would like to thank Phil Clansey, the scoutmaster of Troop 10, for working with church officials to make the church our new home.

We would also like to thank John Neary and Scott McCurdy for allow us to meet at the Latter Day Saints church. Every time we have a meeting at the church, one of these two are there to open the church up when we arrive and close it up when we leave. They have given countless number of hours and nights to allow the Pomperaug District to perform its mission. It is not a stretch to say that without them the Pomperaug District would not have been able to function. They are truly shining examples of what scouting is at its best.

# NEW DISTRICT MEETING LOCATION

Starting this September the Pomperaug District will be moving its meeting location. Our new meetings will be held at the First Presbyterian Church of Fairfield at 2475 Easton Turnpike, Fairfield, CT. Both our district committee and district roundtable meetings will be moving to this new location. The district committee meeting will continue to be on the first Tuesday of the month from September through June and the District Roundtable will also remain on the second Tuesday of the month from September through June.

This meeting location is easy access from the Merritt Parkway just a few exits down from our previous meeting location at the Trumbull Latter Day Saints Church. The new location offers plenty of meeting space and will be a great location for our meetings. The church is currently the meeting location for Troop 10, the oldest unit within our council. A big thank you the Scoutmaster of Troop 10 Phil Clancey for working with the church officials to make this new meeting location possible.

## Program Planning

With summer soon upon us, now is the time for all units to plan their unit program for the upcoming program year. Quality Scouting programs begin with program planning. Unit program planning is an annual process where a Unit invites all families to have input in the program and activities of the Unit. It is also the process of selecting great activities, developing a Unit Calendar and budget and sharing the plan with all the families. The benefits of a strong unit program plan include: high quality and well-run activities, more parent involvement, more youth participation, more funding with less time fundraising, and makes your unit year run more simply and smoothly.

The unit program planning process consists of two key elements: the unit budget and program calendar. Ideally the program planning process will take place with both the adult and youth leadership involved (except for packs where youth are not expected to participate). The process should take several hours to complete, so don't rush through the process as this will just make your unit's program harder to manage throughout the year. The national council has great resources available to aid you in your program planning process and can be found at <http://www.scouting.org/Home/BoyScouts/ProgramPlanningTools.aspx>

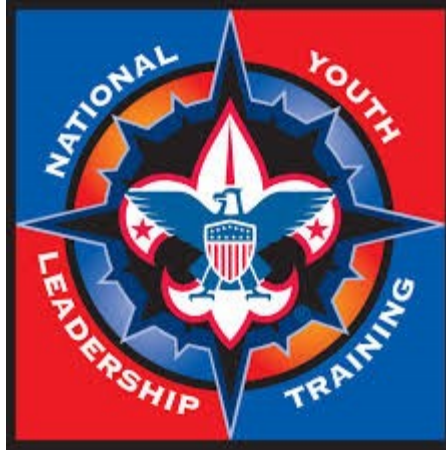

In addition, keep in mind the events sponsored throughout the year by the district including:

Fall Camporee – October 11-13, 2019

Klondike Derby – January 17-19, 2020

## WHAT IS WOOD BADGE?

**Simply stated, Wood Badge is advanced leadership training for adult scout leaders.**

Baden-Powell took the first steps in training Scouting's adult leaders by organizing a series of lectures. The first Wood Badge training was held in 1919 at Gilwell Park, near London. Since then, Wood Badge has continued to evolve to meet Scouting's needs. Wood Badge focuses on preparing adults to deliver the mission of Scouting.

As a result of attending Wood Badge training you will:

- Learn contemporary leadership concepts and discover how these apply to our value-based program
- Understand Scouting as a family of interrelated programs providing age appropriate activities for youth
- Revitalize your commitment to Scouting, sharing in an inspirational experience

## WHO SHOULD PARTICIPATE?

Wood Badge is designed for Cub Scout, Scouts BSA, Venturing, Sea Scouts and Exploring Leaders at the unit level, as well as district and council leaders. The course content and leadership principles introduced during the course apply to Scouters in all leadership positions. These skills provide common a leadership foundation that is beneficial for all program areas. To attend a Wood Badge course, you must:

- Be a registered adult member of the Boy Scouts of America. (There is no minimum tenure requirement.)
- All adult leaders must complete [Leader Specific Training](#) for their primary registered position. [Introduction to Outdoor Leader Skills](#) is required for Scoutmasters and Assistant Scoutmasters.

# ***TerrifiCon***

As you all may have heard, the Connecticut TERRIFICON is this summer at the Mohegan Sun Expo Center, in Uncasville CT, on August 9-11. The event coordinators have allowed the Boy Scouts of America Connecticut Yankee Council to set up a booth and a display for the weekend. In return, we would be providing 10-12 volunteers each day to be runners. These would be older Scouts, Eagles, Venturers, Sea Scouts, etc.

Volunteers would be telling people where to go in the Expo Center, and help the people at the booths if they need a quick break and need someone to watch the booth, be at our display, get a bottle of water for the artists, pass out flyers, escort celebrities and special guests, bathroom break, get supplies, etc. They would also be assisting in other events, and the kid's parade. The Scouters would be in full class A uniform for the entire event.

Lunch is scheduled to be provided by TERRIFICON. Volunteers get in for FREE. It's a great opportunity to help volunteer, showcase and promote Scouting in Connecticut to our youth. People come from all over CT for this event.

Here is the link to the event: <https://www.terrificon.com/>

Please pass this information on to the Scouters in your units. I will be keeping a roster of volunteers for the weekend and will be coordinating the schedule. # Recruiting new Scouts and Parents

## When to do Recruiting

Recruiting is **year-round**...but most commonly the two main times are in the spring (May) and the fall (September). Units throughout the District have started planning successful recruiting events and activities leading up to this exciting time!

## Cub Scouts Spring Recruitment

Don't forget, preschoolers can join the Pack as Lions at the end of the school year. So, by having a sign-up in May, you can concentrate your efforts on the preschool and kindergarten classes. Benefits to having families sign up in May/June include:

- *Giving the new families a chance to get acquainted with the pack casually over the summer.*
- *New scouts can get a head start, especially if they go to Day Camp.*
- *New Lion, Tiger, and all other den leaders can be recruited and trained in the summer, making September go much more smoothly.*
- *The new Lion and Tiger Dens can start selling popcorn early with the rest of the pack.*

**Note:** Spring recruiting should be used as a supplement to fall recruiting not a replacement. Also, when your pack recruits in the spring, make sure the new scouts have several activities over the summer, you can earn the national summertime pack award!

## Scouts BSA Troop Open House

The Scout troop open house allows a troop to swing open its doors and roll out the red carpet to welcome guests. It provides a forum to show off Scouting activities and the troop's accomplishments. It is an effective tool to reach youth who have never tried Scouting. Hosting a troop open house is a five-step process that has been tried and proven in troops throughout the nation. Each of the following five steps is vital to the event's success:

1. *Present a school rally to fifth- and sixth-graders. Give them something they can go home with.*
2. *Mail the parents of interested youth a personal invitation to the troop open house, and an invite through social media.*
3. *Follow the invitation with a telephone call, or email to the parents. Host the troop open house for youth AND their parents.*
4. *Organize a troop or district activity to involve new Scouts right away. Youth join Scouting for the fun and outdoor adventure.*
5. *Parents want them to join for completely different reasons—character building and leadership training.*

Following this plan for conducting a troop open house will help you address the wants and needs of both youth and their parents.

We need the help of every leader assisting their own unit or possibly another one nearby. It's a complete team effort! The question is: Will your unit grow significantly? Steady growth is the best indicator of a healthy unit. Will positive, helpful, and new parents be recruited to fill every volunteer role? The spring is a great time to recruit new leaders! They can begin their adventure as registered leader in a more relaxed setting with school out and fewer activities going on.

Please contact your Vice Chairman for Membership with any questions you may have, or for any assistance with your recruiting efforts. If your unit is planning on holding a spring recruiting event, and you would like some recruiting materials put together, please let us know. We can help coordinate materials, scout talks at the schools, lawn signs, flyers, base camp canopy, peer to peer cards, etc. Happy recruiting!
