Have you ever wondered what you would do if you found yourself stranded in the middle of the Jungle?

It's uncharted territory, and your chances of survival are slim...that is, if you are not a Cub Scout!

Each Camper will be transported straight into the adventure and mystery of the Jungle, and will be sorted into 'Navigation Teams'(Our Dens) upon arrival!

Once they have their teammates, their Den Leader will select their 'Group Identity' from our safari hat, which equips them with a unique set of skills that will help the navigate the Jungle successfully (they can model their den name after this)!

Next each den will open their 'Survival Kits', which will unveil their Jungle Mascot (Snake, Jaguar, Piranha etc.) which can inspire their Den Flag/& Cheer!

Upon entering the Jungle, they will put Cub Scout knowledge to the test; learning handy survival skills, being introduced to ingenious tribes, weathering the new climate, encountering fascinating wildlife, and more!
