

## LOYAL LIONS CHALLENGE: Adventuring From Home

### Rumble in the Jungle

Adventure Requirements: Complete these requirements

1. Play a game with rules; indicate an understanding of the rules and why it is important to follow the rules while playing the game.
2. Choose a jungle animal that you would like to be; describe the animal and why you chose it. Participate in a parade with the other animals in your den. Communicate with other animals using your animal's sounds, both as loudly as you can and as softly as you can.

Ideas: Did you play a game? What animal did you choose and why? Maybe you can make your own animal mask and have a parade with your siblings, pets, or stuffed animals? Can you roar loudly and softly? The Pack would LOVE to participate! Please share a video or pictures on our closed Facebook group and we'll roar along with you at home.

### Build It Up, Knock It Down

Adventure Requirements: Complete requirements **4** of the following:

1. Discuss with your family things that can be built and things that can be knocked down.
2. Discuss with your family how they can be built up and knocked down, not just physically but also emotionally.
3. Build structures using available materials.

Ideas: Did you know that the tallest structure in the world is the Burj Khalifa skyscraper in Dubai? It's 2,722 feet tall! Check out a virtual panorama from the top of the building on [NationalGeographic.com](http://NationalGeographic.com). A Scout is Kind! Can you think of ways that Scouts can build others up emotionally? How many interesting materials can you use to build a tall tower?
