

## **1999-2000 CAMP SEQUASSEN ACCOMPLISHMENT LIST—8/21/00**

Below is a list of accomplishments at Camp Sequassen over the last year.

Many groups and individuals contributed to these wonderful accomplishments. The Sequassen Alumni Association, the Order of the Arrow, as well as numerous troops all pitched in through-out the year to make this possible.

Special mention should be made of the contributions of Roger Poggio who single-handedly secured \$10,000-\$20000 in materials and labor to rewire the Camp. I would also like to thank Council for its substantial contributions principally for funding septic system repairs and the staining of Cohen Lodge.

Finally, I wish to thank my Vice Chairman of the Maintenance Committee, John Burke and Carl Flodquist without whose assistance the Maintenance Committee contributions would not have been possible.
