

Sequassen Accomplishments  
9/2009-08/2010

Compiled by Sequassen Maintenance Committee  
Tom Young, Chairman      Matt Balls, Vice Chairman  
Pat Maxim, Vice Chairman  
David Boyajian, Camp Ranger

Highlights for the year include:

- The installation of a new high cope course
- The building and installation of a new leaders lean-to in Polaris, as well as removing rocks and leveling the site
- The installation of six new benches in the Maxim All Faith Chapel
- General repair and staining in the Family Camp Area as well as North Sequassen
- Installed brick patio and walkway at Alderman Building
- Renovated Cabin 2 bathroom

This year, at the Fall Major Work Party, the Burke Knife was awarded to Tom Gordon. At the Spring Major Work party, The Leary Hammer was awarded to Bob Cairns

This report tries to reflect all of the accomplishments related to the facilities at Camp Sequassen, but is in no way complete. We try to reflect not just the activities of the Maintenance Committee, but also the activities of all the groups and individuals who gave up their time and talents for the boys.
