## 2020—2021 Program Planning

Dear Powahay Scouting Community,

We are not sure what the fall will bring us with continued COVID-19 guidelines as units start to plan their 2020-21 Program Year. We are presenting Powahay District Activities with the hopeful anticipation that we can resume outdoor activities and our camps are open.

Please put these dates on your calendar and note the following:

- ◆ We will continue to follow the CYC COVID-19 Task Force Guidelines and will advise of any changes we need to make to our district programs and calendar.
- ◆ Social distancing guidelines still may be in effect and we may be required to limit participation at some of our activities.
- ◆ With the Coronavirus Economic Crisis affecting many of our families, it is our commitment not to raise any of the District activities fees and to continue to make those fees affordable for our families.

A Note on Roundtables – Roundtables create awareness of and excitement about coming months activities and program for unit leaders to use to strengthen the program their unit offers. Powahay Commissioners are looking at a combination of in-person meets and Virtual Roundtables for the 2020-21 Program Year. More details to come.
