## DON'T MISS YOUR CHANCE TO IGNITE SCOUTING AND FORGE OUR FUTURE!

Terry L. Fossum was born in the poorest city in the U.S. McAllen, Tx, surrounded by gangs and drugs.

Watch with us as we hear how Terry overcame great obstacles to earn his Eagle Scout Award and develop a life-long love of Scouting.

Terry is an internationally-renown businessman, philanthropist, author, and keynote speaker, but is most proud of being a loving husband, and dad to three young gentlemen.

## WHAT IS WOOD BADGE?

Simply stated, Wood Badge is advanced leadership training for adult scout leaders.

Baden-Powell took the first steps in training Scouting's adult leaders by organizing a series of lectures. The first Wood Badge training was held in 1919 at Gilwell Park, near London. Since then, Wood Badge has continued to evolve to meet Scouting's needs. Wood Badge focuses on preparing adult leaders to deliver the mission of Scouting.

By attending this Wood Badge training program, you will:

- Learn contemporary leadership concepts and discover how these apply to our value-based program
- Understand Scouting as a family of interrelated programs providing age appropriate activities for youth
- Revitalize your commitment to Scouting, sharing in an inspirational experience

**HEALTH & SAFETY NOTE:** We are planning to hold the 2021 Wood Badge course consistent with the guidelines of the State of Connecticut, the Boy Scouts of America, and Connecticut Yankee Council. The health and safety of our members (youth and adult) are paramount, and we will conduct the course ONLY if it is safe to do so.

## Camp Physicals

We are rapidly approaching the heavy camping season. In just a few months you and your unit will be going on many big camping trips. Whether it is a trip to one of the high adventure bases, summer camp or even just a week-long trip with your unit an annual physical will be required. Now is good time to schedule an appointment with your doctor to have your annual physical. An annual physical is required anytime you will be taking part in an event that is 72 hours or longer. The BSA has an approved medical form that you will need to provide your doctor to fill out for these events. The forms can be found at the BSA's Annual Health and Medical Record site at <https://www.scouting.org/health-and-safety/ahmr/>. Depending on where you end up going you may require additional medical related forms as well. If you are going to a national BSA location, this site will include these additional forms. If you are going to a local site, visit their website to ensure no additional paperwork is needed. Make sure that you get your appointment scheduled now, as summer approaches it can take over a month to get an appointment and if you can't have your physical completed before your event it will be unlikely that you will be able to participate. So, please plan ahead and call your doctor's office now to ensure that your physical will be completed before any event that will require a medical record this year.

# Camp Sequassen 2021 COVID Plan

## Healthy Camp and Health Screening:

We will be restricting participation at camp to healthy individuals. Anyone who does not feel well should stay home. This includes everyone in our camp family: Scouts, Scouters, staff and families. Prior to camp arrival, everyone will have to complete a BSA pre-event medical screening questionnaire. Upon arrival at camp, everyone will receive a temperature check. We are developing a checklist of health screenings that will be given periodically during the week for Scouts, staff and Scouters. Visitors in camp may be limited by COVID restrictions.

## Enhanced cleaning and disinfecting:

Scouts, Scouters and staff will be reminded to frequently wash their hands with soap and water. Hand sanitizer will be available throughout camp. Non-porous surfaces will be frequently cleaned and disinfected throughout camp, including all buildings, program areas, latrines, and bathrooms.

## Personal Protective Equipment (PPE):

Everyone will be required to wear a face mask indoors and when in close proximity to others outside. Anyone not following these rules will be sent home. Exceptions to this requirement will be while sleeping, swimming or boating.

## Food and Sleeping Arrangements:

We are reviewing various options in food service including the following possibilities: elimination of family-style serving, reduced indoor seating, outside seating only, cafeteria style serving, as well as campsite serving. We anticipate that there may be changes in sleeping arrangements such as a reduced number of people in each lean-to and possibly in each tent. Individual use of personal tents will be considered.

*Our commitment is to provide the safest and best high-quality camp experience for our Scouts. This strategy is constantly evolving based on the latest state and local COVID guidelines. Please contact Camp Director Joe Kierwiak at [campdirectorseq@ctyankee.org](mailto:campdirectorseq@ctyankee.org) with questions or concerns about camp.*

## Recruiting new Scouts and Parents

### When to do Recruiting

Recruiting is **year-round**...but most commonly the two main times are in the spring (May) and the fall (September). Units throughout the District have started planning successful recruiting events and activities leading up to this exciting time!

### Cub Scouts Spring Recruitment

Don't forget, preschoolers can join the Pack as Lions at the end of the school year. So, by having a sign-up in May, you can concentrate your efforts on the preschool and kindergarten classes. Benefits to having families sign up in May/June include:

- **Giving the new families a chance to get acquainted with the Pack casually over the summer.**
- **New Scouts can get a head start, especially if they go to Day Camp.**
- **New Lion, Tiger, and all other den leaders can be recruited and trained in the summer, making September go much more smoothly.**
- **The new Lion and Tiger Dens can start selling popcorn early with the rest of the Pack.**

Note: spring recruiting should be used as a supplement to fall recruiting not a replacement. Also, when your Pack recruits in the spring, make sure the new scouts have several activities over the summer, you can earn the national Summertime Pack Award!

### Scouts BSA Troop Open House

The Scout Troop open house allows a troop to swing open its doors and roll out the red carpet to welcome guests. It provides a forum to show off Scouting activities and the troop's accomplishments. It is an effective tool to reach youth who have never tried Scouting. Hosting a troop open house is a five-step process that has been tried and proven in Troops throughout the nation. Each of the following five steps is vital to the event's success:

1. Present a school rally to fifth- and sixth-graders. Give them something they can go home with.
2. Mail the parents of interested youth a personal invitation to the Troop open house, and an invite through social media.
3. Follow the invitation with a telephone call, or email to the parents. Host the open house for youth AND their parents.
4. Organize a Troop or district activity to involve new Scouts right away. Youth join Scouting for the fun and outdoor adventure.
5. Parents want them to join for completely different reasons—character building and leadership training.

Following this plan for conducting a Troop open house will help you address the wants and needs of both youth and their parents.

We need the help of every leader assisting their own unit or possibly another one nearby. It's a complete team effort! The question is: Will your unit grow significantly? Steady growth is the best indicator of a healthy unit. Will positive, helpful, and new parents be recruited to fill every volunteer role? The spring is a great time to recruit new leaders! They can begin their adventure as registered leader in a more relaxed setting with school out and fewer activities going on.

Please contact your Vice Chairman for Membership with any questions you may have, or for any assistance with your recruiting efforts. If your unit is planning on holding a spring recruiting event, and you would like some recruiting materials put together, please let us know. We can help coordinate materials, lawn signs, flyers, base camp canopy, peer to peer cards, etc. Happy recruiting!
