individuals is optional.

- ◆ *Face masks should not be worn in or near water, while eating, or while sleeping.*
- ◆ *Each member should Be Prepared and have clean and dry face masks available to wear, as circumstances dictate. Examples where wearing of masks may be appropriate would be first aid stations.*
- ◆ *The BSA “Model Pre-Event Medical Screening Checklist” has been updated, effective January 1, 2022. The Council recommends use of this checklist prior to beginning each activity. Checklists are for unit/participant use, and will not be collected by camporee staff. <https://www.ctyankee.org/wp-content/uploads/2022/01/Covid-19-Pre-Event-Checklist-1.1.22.pdf>*

DETAILS

It is the third harsh winter before Ragnarok. The gods of Asgard have come to Midgard in an attempt to prevent Ragnarok from occurring. Your patrol will embark on a journey to complete seven challenges the gods have prepared to prevent Ragnarok. As you rotate through the challenges, your patrol will be scored on the tasks they complete. The final challenge will be a race against time and each other, that will test your skill as well as your endurance. Be prepared! The trickster god, Loki, may be lurking about to add some mischief to the day!

OVERNIGHT CAMPING

Please follow the updated CT Yankee Council guidelines for overnight camping applicable to the camporee:

- ◆ *While it is recommended to sleep 1 person per tent, unit leaders may determine whether to permit additional number of individuals to share a tent.*
- ◆ *Parental permission should be obtained by the unit leader for each youth member sleeping in a cabin with others or sharing a tent.*
- ◆ *When sharing a cabin, tent or lean-to, individuals sleeping next to one another should be arranged head-to-toe.*

**All units will be assigned to a campsite after the close of registration.*

PARKING

All cars must be parked in the main parking lot located at the South entrance of camp at 3 Marchant Road. While there will be some challenges located on the North side on Saturday, all campsites will be on the South side. Carts are available to transport gear to your campsite for your group. These carts must return to the main parking lot after dropping off gear, so that they may be utilized by others.

CHECK IN

Check in will be on Friday, March 25, 2022, from 6:30pm-8:00pm at the Jackson Pavilion.

All unit Leaders will be required to check in. Please have a full roster of all participants youth and adult, who will be at camp. This list should identify your troop, SPL, and unit leader.

In addition, all participating patrols must provide a roster with their patrol name and list of members. Patrol rosters must be turned in by the SPL/Unit leader meeting on Friday night so that we can prepare the station rotation for Saturday.

All unit leaders must have a Part A and B of the BSA medical forms for the participants in their troop. These forms should be retained by the unit leader on site.

WEATHER

The weather in Connecticut can vary greatly in March. Scouts should be prepared for warm to very cold weather.

COOKING RECOMMENDATIONS

All safe handling and sanitization practices for preparing food should be rigorously observed. Mess kits and utensils should not be shared.

FACILITIES

Bathroom facilities are latrines around the campsite areas. Troops should be prepared with their own toiletries, as toilet paper is not assured.

There is a fresh water supply located at the pump in front of Jackson Pavilion. Dishwashing at the pump is prohibited. Water should be taken back to your campsite for proper cleaning.

Trash must be packed out of campsites, as there is no dumpster at Hoyt. Remember to practice Leave No Trace principles.

CAMPFIRE PROGRAM

We will be holding a campfire program at the Hoyt Amphitheater. Each patrol will be required to come up with a skit and song which will be collected throughout the day. Camporee awards and patches will be presented at the event.

VIKING SLEDGE

Vikings are masters of waterways, but also travel by land when necessary. In the winter they utilize sledges to transport gear through wet, marshy, and frozen ground. Often, sledges are ornately decorated. Your patrol will be judged on how well your sledge represents the Norse people.

**Although possible, the ground will likely not be frozen. Sledges should be equipped with wheels to safely navigate the terrain.*
