Notes:

• **Instructors Wanted:**

- We are asking Packs sending Webelos to consider providing a team to teach one of the awards.
- An instructor package with the requirements and guidelines will be provided.
- We are not opening registrations until we have the Adventure Pins covered and a secure location.
- Registration starts in September and due by November 1. After November 1, registrations will only be accepted to fill out classes and at the regular fee.
- Select Adventures carefully. Webelos may not switch classes.
- **This is a Webelos event only.** Due to classroom size and distractions to teaching the class, parents will be discouraged to accompany their son/daughter to the selected class unless there is a special need. Other Cub Scouts and siblings should not attend.
- **PARENTS ALERT** — Avoid registration duplications and/or signing up for Adventure Loop already earned. PLEASE check with your Webelos Leader FIRST on Adventure selections before completing the online registration. While the online registration will accept individual sign ups, we prefer each Den make a group registration. **Sorry, we do not refund duplicate registrations.**
