- Webelos Book
- Cub Scout Six Essentials for your day pack
  - First aid kit(small)
  - Water bottle
  - Flashlight
  - Trail food (small snack)
  - Sunscreen
  - Whistle

**\*In addition, if working on the 4th grade Webelos requirements for Cast Iron Chef scouts need to:** Plan a menu for a balanced meal for your den or family. Determine the budget for the meal. If possible, shop for the items on your menu. Stay within your budget. You will need paper goods for serving and eating.

\*for dinner on Saturday scouts will need to prepare that meal for their family in their campsite as follows:

-Prepare a balanced meal for your den or family. If possible, use one of these methods for preparation of part of the meal: camp stove, Dutch oven, box oven, solar oven, open campfire, or charcoal grill. Demonstrate an understanding of food safety practices while preparing the meal.

**\*AOL scouts need to prepare a meal with their unit and/or family in their campsite and provide those ingredients themselves. You will also need paper goods for serving and eating.**

# Troop Leaders-please have your scouts prepared to help the Arrow of Light scouts with the following on Saturday:

## Scouting Adventure:

-Repeat from memory the Scout Oath, Scout Law, Scout motto, and Scout slogan. In your own words, explain their meanings to your den leader, parent, or guardian.

-Explain what Scout spirit is. Describe for your den leader, parent, or guardian some ways you have shown Scout spirit by conducting yourself according to the Scout Oath, Scout Law, Scout motto, and Scout slogan.

-Do the following:

- (a) Show how to tie a square knot, two half hitches, and a taut-line hitch. Explain how each knot is used.
- (b) Show the proper care of a rope by learning how to whip and fuse the ends of different kinds of rope.

-Demonstrate your knowledge of the pocketknife safety rules and the pocketknife pledge. Cub Scouts with whittling chips may do this, others may only observe and discuss.

## Outdoor Adventurer Adventure

Option A:

1. With the help of your den leader or family, plan and participate in a campout.
2. On arrival at the campout, with your den and den leader or family, determine where to set up your tent. Demonstrate knowledge of what makes a good tent site and what makes a bad one. Set up your tent without help from an adult.

3. Once your tents are set up, discuss with your den or family what actions you should take in the case of the following extreme weather events which could require you to evacuate:
  - (a) Severe rainstorm causing flooding
  - (b) Severe thunderstorm with lightning or tornadoes.
  - (c) Fire, earthquake, or other disaster that will require evacuation. Discuss what you have done to minimize as much danger as possible.
4. Show how to tie a bowline. Explain when this knot should be used and why. Teach it to another Scout who is not a Webelos Scout.
5. Recite the Outdoor Code and the Leave No Trace Principles for Kids from memory. Talk about how you can demonstrate them while you are working on your Arrow of Light. After one outing, list the things you did to follow the Outdoor Code and Leave No Trace.

**\*AOL scouts will eat all meals with the Webelos or their units**
