

Train the Trainer Series

The Fundamentals of Training

Saturday, December 4, 2021

9:00-1:00 p.m.

Connecticut Yankee Council Service Center, Milford, CT

The first part of the T3 continuum, *The Fundamentals of Training*, is designed to help Scouters, regardless of their experience, present effective training. The course will also help those who might have trained for other organizations learn the BSA's training techniques. And, it will help freshen up the skills of current BSA trainers.

Upon completion of *The Fundamentals of Training*, new trainers will be able to apply the techniques they have learned across the BSA's leadership development programs, from unit level youth leader training taught by youth for youth, to position specific and supplemental training for adult leaders. Upon completion of this first part, new trainers are coached and mentored by experienced trainers as they become comfortable with and confident in their training skills.

WHO SHOULD COME?

Current or new District trainers in Cub Scouting, Boy Scouting, and Venturing
ANYONE in Scouting who is interested and wants to learn to communicate ideas better!
