More Administration Information

Volunteers Needed: As with any scouting event, the more hands, the easier the load. Units are requested to designate two adult unit members as program volunteers to assist the event staff for a portion of the weekend. If possible, units should provide contact information for their volunteers in advance. All volunteers should check in at the ConnJam Commissioner tent located near the food service area.

COVID-19: Council Covid-19 Guidelines have been included in the updated Leaders Guide. The BSA “Model Pre-Event Medical Screening Checklist” has been updated for ConnJam, effective April 15, 2022, The Council recommends use of this checklist prior to arriving at ConnJam. Unit leaders (including parents of families camping at the event) shall maintain a copy of the completed form for each participant. Forms will only be collected at registration for day participants.

Commissioner Service: Commissioners will oversee the camping areas and be on hand to assist units throughout the weekend. A Commissioner Challenge for unit leaders is in the works.
