## SCOUT SUNDAY

Each year on Feb. 8, the Boy Scouts of America celebrates its birthday. It's a date officially known as Scouting Anniversary Day.

But this is more than an excuse to eat an extra s'more and commemorate another year of Scouting adventures. It's also when packs, troops, crews and ships honor a Scout's "duty to God." The exact dates vary (see below), but each one is an opportunity for Scouts to publicly demonstrate the 12th point of the Scout Law: A Scout is Reverent.

That might mean an act as simple as wearing the full field uniform to worship services. It might mean participating in services by doing a reading, singing a song, or presenting religious emblems and awards to Scouts and Scouters. Or it might be something as grand as a service project to benefit a religious organization in the community. However you choose to celebrate, it's essential this year to do so safely.

According to the BSA's [Calendar of Religious Observances](#) .....

- Scout Sunday 2023 is Feb. 12, 2023
  - Scout Shabbat 2023 is Feb. 10 and 11, 2023
  - Scout Jumuah is Feb. 10, 2023
- but units may adjust these date to best meet their needs.

The BSA's National Religious Relationships Committee has prepared [this helpful Word document](#) containing suggested services for an inter-religious celebration, an Islamic celebration, a Jewish celebration and a Christian celebration.

# WOOD BADGE

You are invited to attend Wood Badge!

## WHAT IS WOOD BADGE?

Wood Badge training was started by Baden Powell in 1919 to ensure that the leaders of Scout troops were properly trained. Since then Wood Badge has been held worldwide, providing advanced leadership training to thousands of Scout leaders.

## WHO SHOULD ATTEND?

Wood Badge is designed to meet the advanced leadership needs of all Scouters, particularly unit level Scouters, such as Cub leaders, Scoutmasters and assistants, Venturing Crew Advisors, Committee Chairs and members. Additionally, Scouters serving at the district and council levels can achieve greater effectiveness through Wood Badge.

## WHY ATTEND?

By taking Wood Badge, Scouters will acquire valuable tools such as listening, communicating, conflict management, project planning and leading change. They will learn skills that will benefit their Scouting roles, but also help them professionally and personally. Wood Badge also helps Scouters build a network of resources to help their efforts.

### [Merit Badge Counselor List](#)

The new Merit Badge Counselor List has been completed as a Google Sheet. All Scoutmasters and Committee Chairs have been given access to the Sheet and should have received an email from [aamidon@snet.net](mailto:aamidon@snet.net) explaining its use.

All Merit Badge Counselors should have received an email from the same address with an Excel version of the spreadsheet asking you to review it and reply with any corrections.

If you didn't receive an expected email, please check your Spam folder and add Anne Amidon with the above email to your contacts.

### [Merit Badge Counselor List Manager](#) [Anne Amidon – email: aamidon@snet.net](mailto:aamidon@snet.net)

To all Merit Badge Counselors:

Please check with your Troop leaders to make sure that you are still on the Merit Badge Counselor list - they have access to the current list. I've had a few people contact me because they aren't on the list. If you're not on the list and should be, please send a completed Merit Badge Counselor Information form and a screen shot of training completions from my.scouting.org (in particular I need Merit Badge Counselor trainings and your most recent YPT Certificate Test).

Please note that ALL Merit Badge Counselors must redo YPT every year in our council. If the effective date of your most recent YPT Certification test is NOT in 2022, you need to retake YPT and send me a copy of the certificate.  
Thank you for your cooperation.
