# Crazy for Science

Webelos & AOL Summer Camp at Camp Sequassen  
Cub Crossover Adventure

August 11-14, 2024

Bring your Webelos, Scouts entering 4th and 5th grade in Sept. 2024, to Camp Sequassen to explore its summer camp secrets.

Experience age appropriate resident camp activities during a half week session of fun and outdoor adventure along with a **"Crazy for Science"** themed program.

**Crazy for Science** is where learning is a big, fun game. You get to be a scientist, an inventor, and a little bit of a magician too. It's the place where you unleash your inner genius and have a blast doing it! You get to wear these super cool lab coats.

Plus... Boating, Swimming, BB Shoots, Archery, Sling Shots, Crafts, Hikes, Games, evening campfire and more!

All meals provided!

Early bird special register by June 15 and Webelos will receive a fun lab coat and goggles.

Ed Gratrix, Migs Migliore and the Camp Sequassen Staff are teaming up to make this an exciting Camp experience.

Registration will open March 1, 2024
