*Thank you for your continued support!*

Dear Friends,

After a couple of challenging years, 2022 continued to prove that Scouting is alive and well in our communities.

Our leaders embodied the tenets of the Scout Oath and Law and along with their unmatched passion and dedication, served over 7,800 Scouts through innovation and adaptation. Together, we made sure that Scouting remained a vital part of the communities we serve.

In 2022, the Connecticut Yankee Council was one of 2 out of 251 Scout councils in the country to have growth in membership and growth in units year over year recruiting over 3,000 new youth into the program. The Scoutreach program designed to serve disadvantaged youth grew to over 2,000 youth served in New Haven and Bridgeport.

In 2022, 208 young men and women attained the Eagle Scout rank. All together the Scouts in the Connecticut Yankee Council contributed more than 60,000 service hours to our communities.

At Scout Resident Camp at Camp Sequassen, over 1,450 youth, from our Council and surrounding states, had the experience of a lifetime zip lining, swimming, canoeing, sailing, learning a trade, shooting archery and rifles, creating lifelong friendships all while earning merit badges towards the Eagle rank. Our inaugural summer of Sailaway Sailing School at Captain's Cove Marina in Bridgeport introduced 200 young people to the sport of sailing.

Looking ahead, our commitment to developing well-rounded leaders continues. We are working hard to provide the best character development programs to the youth in our communities. And thanks to you and your support, we will keep the mission moving forward in 2023 and beyond.

Yours in Scouting,

Rudy Escalante      Michael Carpenter      Mark Kraus
