# PIRATES OF Q THEME-

We invite everyone, Adults, Scout's, siblings and even Staff attending to please come with "***THEME RELATED PIRATE COSTUMES***" that will add to the flavor of the event! Costumes should be worn to the opening ceremony on Saturday morning and the closing campfire program.

We understand that some folks have concerns with obtaining a "Theme Costume" for them and their Scouts(siblings). We understand that this may be a concern for some.....

**Costumes are indeed optional**; however, they do add to the program! Packs that cannot obtain "Theme" type costumes please feel comfortable with just trying to have everyone say in your Pack Class B- T shirt or whatever. This also helps with a safety concern helping you in keeping your eye on everyone from your Unit.

Important thing here is that everyone doesn't feel like they have to have one! Its more important that everyone feels comfortable and comes to enjoy the event.

# MEALS & FOOD PREPARATION-

Saturday Lunch- Provided by the event, as part of your registration fee, consist of a Hotdog w/roll, Chips Pack, Cookie Pack and a drink. Lunch tickets will be issued at check in for all paid lunches.

- All other meals, meal preparations, snacks and clean up to be provided by your Pack, or if attending as a single-family group by yourselves. (Saturday Breakfast, Saturday dinner and Sunday Breakfast. We suggest you eat Friday dinner on the way up to camp or bring a “bagged dinner” with you to speed up your evening setup, and to also bring an evening snack with you.

Unit Leaders within a given campsite are to be sure that all BSA policies regarding proper cleanup of meals and Utensils are done correctly, also helping to assist any single families that may be staying within your site whenever possible.

EVERYONE – Review the Leaders/Parents Program guide for additional assistance. **Please remember there is NO cleaning of Dishes or equipment allowed within the Central Shower/Bath house, or disposing any food waste or trash in the Campsite Latrine.**

# Do Easy Meals - Foil Meal Cooking -

As this is Cub Scout Camping and many families may have not camped very often or not at all, we suggest that you plan simple easy meals that don't require a lot of equipment or stuff to prepare. Foil Meal Pack Cooking is a real simple way of preparing and cooking meals for just about anytime of day!

# Don't be over-whelmed with the thought of cooking in Camp-

Many simple meals can be prepared at home ahead of time, frozen and then just cooked/finished of at camp. If you have a propane Camp Stove that is great. If not hundreds of quick simple meals can be done in/over a fire pit which every campsite has a large one to share. We have prepared a handout that I will forward out to all of you regarding simple Foil Cooking ideas – both for Breakfast as well as dinner meals. Real simple and easy. Just be sure to bring Charcoal briquets with you and **non-liquid fire starters**. **\*\*\*NO LIQUID FUEL or LIQUID FUEL DEVICES IN CUB SCOUT CAMPING PLEASE!**

Even Pasta and Sauce and be pre-prepared at home and then just heated up – Precook the Pasta, Freeze or Refrig it at home in a zip lock bag it, cooler it at camp, and then just add the sauce at camp and there you go.

Although not really the Scout way, if this is your first-time camping -Use paper and plastic utensils for easy cleanup – Don't Panic!

# Food Allergies

- Packs & Single Families should be aware of any potential Food Allergies for their attendees and be prepared for same.
- Upon arrival in a Campsite, Leadership and Adults should be aware of any such issues and plan accordingly. All Health forms should indeed state any conditions in case of an emergency.
- **Regarding the Saturday- supplied Lunch program-** (Hotdog w/roll, Chip Pack, Cookie pack and juice drink). If any item on the menu is not acceptable for any member of a family, **the family should make alternate arrangements** to bring other food items. In all cases, if a concern is present, Parents should verify prior to their Scout consuming anything within the site supplied by anyone or by the program.

# Trash Disposal and Cleanup

Units and Campsite Attendees shall be responsible to keep their assigned Campsite and surrounding areas clean at all times. All Routine Trash should be taken by an ADULT at a minimum EVERY NIGHT before retiring, to the Dumpsters behind the Dining Hall. Please DO NOT SEND A SCOUT or CHILD to the Dumpsters.

Units shall keep their Campsite Latrines clean (Lids down) and assist with keeping the Central Bath/Shower House clean- Try not to let small children use these areas without an adult.

The Camp belongs to everyone, we ask that all Scouts & Adults help by keeping all areas clean and free of litter and trash. Any and all trash generated by Campsite or program decorations shall be taken home with the Unit.
